EDUCATION

- 2006 – 2012 : PhD thesis, department of Physiology, University of Medicine and Pharmacy Craiova : “The assesement of cardiac function in a group of patients before and after biventricular pacing ”
- University of Medicine and Pharmacy from Bucharest: 1996-2002

PROFESSIONAL EXPERIENCE

07.2016-present: consultant in cardiology

11.2013-present : specialist in cardiology, Depatment of Invasive Cardiology, Emergency County Hospital Brasov

12.2010-11.2013 : specialist in cardiology, Department of Invasive Cardiology, Craiova Cardiology Center

11. 2009- 12.2010 : EHRA fellowship in electrophysiology and cardiac pacing with emphasis on ICD/CRT devices, Cardiology Department, Thorax Institute, Hospital Clinic, Barcelona

1.02.2009- 11.2013: assistant professor of cardiology, department VI, University of Medicine and Pharmacy Craiova

1.10.2004- 1.02.2009: teaching assistant of cardiology, internal medicine department, University of Medicine and Pharmacy Craiova

1.10.2004 – 30.09.2010 : resident in cardiology, Craiova Cardiology Center

Foreign languages : english, french, spanish.

Coinvestigator in the following international clinical trials : SEPTAL CRT, MINERVA, PREFER MVP, CLEPSYDRA (2010).

INTERNATIONAL TRAININGS AND COURSES

- EHRA cardiac pacing course, Vienna, march, 2014
- Basic EP course, MEDTRONIC ACADEMIA, 4-6 July, Bucharest, 2013
- EUROPACE 23-26 June, 2013, Athens, Greece
- EHRA Webinar - ECG and IEGM cases for Supraventricular Tachycardias, 22 May 2013
- EHRA Webinar - Implantable cardioverter-defibrillator (ICD) Stored Electrogram Trouble Shooting, 23 April, 2013

- EHRA course on Cardiac Pacing, ICD and Cardiac Resynchronisation 21-23 March 2013, Vienna, Austria
- International course - Physicians' CRT workshop "Working together", Semmelweis University, Heart Center, 10-13 december, 2012, Budapest, Hungary
- EHRA Webinar - MRI in patients with cardiovascular implantable electronic devices, 31 october, 2012
- EHRA Webinar - Cartography tridimensional Ablation, 22 october 2012
- Cardionale – The international symposium on cardiovascular management, Prague, 12-13 october, 2012
- Telmisartan workshop, Vienna, 20 September 2012
- Cardiosim, Nice, France, June, 2012,
- EHRA Webinar - Mechanisms of Arrhythmia and its Clinical Implications, 20 january 2012
- EHRA Webinar - Troubleshooting of stored device tracings, 8 November 2011
- International symposium - Past, present and future in Clinical Arrhythmology, Barcelone, 30 June 2011
- EHRA Device Course, 6-8 June, 2011, Sophia Antipolis, France
- Wellens Josephson Course - How to approach complex arrhythmias, 23-27 May 2011, Wien, Austria
- EHRA Webinar - Atrial fibrillation antiarrhythmic treatment, professor J. Camm, 26 January 2011
- EHRA Webinar - Troubleshooting in Cardiac Pacing, 19 October 2010
- EHRA Webinar - Tips and Tricks for successful VT ablation, 20 September, 2010
- EHRA Cardiac Pacing Course 15-17 April, 2010, Wien, Austria
- EHRA Educational Course on Daily Arrhythmia and Device Practice, Sophia Antipolis, France, June 8-10, 2009
- Cardiovascular Research Technologies : CTO forum, Complex coronary interventions, Percutaneous valve intervention, Drug eluting stents in-depth, Washington DC, March 4-6, 2009
- European Association of Echocardiography Educational Course : „Doppler Echocardiography : from Basics to Advanced Applications”, Bucharest March 29-31, 2007
- European Society of Hypertension: Educational Master Course on Hypertension and Cardiovascular Risk, Poiana Brasov, June 2-3, 2006
- Sortis Preceptorship Fellowship, University College London, 10-12 April 2006
- „The management of patients with cardiac pacing ”, Medtronic Romania, November 10-12, 2005
- BENEDICT Speaker Training Workshop, Istanbul, March, 14-15, 2005

International grants and awards :

- Grant for 22nd EUROPEAN MEETING ON HYPERTENSION AND CARDIOVASCULAR PROTECTION, ICC London (UK), April 26-29, 2012
- Grant for 21st EUROPEAN MEETING ON HYPERTENSION AND CARDIOVASCULAR PROTECTION, Milano, June, 2011
- 1 year EHRA fellowship in electrophysiology and cardiac pacing with emphasis on ICD/CRT devices, Thorax Institute, Hospital Clinic, Barcelona (2009-2010)
- Grant for 20th EUROPEAN MEETING ON HYPERTENSION AND CARDIOVASCULAR PROTECTION, Milano, June, 2009

Affiliation to professional organizations :

- Romanian Society of Cardiology
- European Society of Cardiology
- European Heart Rhythm Association (EHRA)
- European association of percutaneous interventions (EAPCI)
- European Heart Failure Association (HFA)
- Balkan Medical Union
